Cambo Snowdrops

Price List for Spring 2012

All the bulbs we supply are cultivated in the 70 acres of woodland on Cambo Estate or neighbouring estates. Crowded clumps are dug each year as the flowers are going over and the bulbs sorted by hand. Mature, flowering bulbs are sold and the thinnings (unflowered bulbs) are replanted in situ or elsewhere on the estate to increase the display.

Galanthus nivalis

Galanthus nivalis flore-pleno

Snowdrops

Mature bulbs – only bulbs which have flowered this year are dispatched

Single Snowdrops (Galanthus nivalis)

Quantity	25	50	100	500
Price	£8.50	£14.00	£23.00	£108.00

Double Snowdrops (Galanthus nivalis flore-pleno)

Quantity	25	50	100	500
Price	£9.50	£16.00	£27.00	£128.00

Unsorted Snowdrop Bulbs

Sold in larger quantities (carriage included)

These bulbs are dispatched 'as dug' with earth shaken off and therefore include a mixture of flowered and smaller bulbs.

This is an ideal way to buy snowdrops to establish a woodland planting and we recommend double snowdrops in preference to singles as we find they multiply much quicker and are a showier flower if you are trying to create an effect.

	Singles	Doubles
500 bulbs	£85.00	£95.00
1000 bulbs	£130.00	£140.00
2500 bulbs	£320.00	£330.00

25 bulbs £53.75

Aconites (Eranthis hyemalis)

Upturned, golden yellow cup-shaped flower surrounded by rag-like ruffs. We sell in clumps to minimise disturbance of corms, which can be difficult to establish.

£4.50 per clump (approximately five flowers per clump)
